## **Click Sales**

Programs that pay for clicks make you earn commissions based on visitors you send to offer sales pages. The amount of the commissions is calculated on the number of visitors and on quality aspects of the web traffic. You will not only earn with clicks, if a user makes an order you will earn a percentage of the sale price of the purchased product or service.

To send web traffic you can use affiliate links and banners available for each offer. Affiliate links include a unique user code that allows our system to track clicks and sales and assign commissions.

## **Sales**

Programs that pay for sales make you earn a commission based on orders from users sent to sales pages of the offer. Every program has its own commission plan, affiliate earnings can be up to 50% of the product or service price.

To send web traffic you can use affiliate links and banners available for each offer. Affiliate links include a unique user code that allows our system to track clicks and sales and assign commissions.

## **Sub Affiliates**

Sub-affiliate program allows you to create a network of affiliates that will be linked to your account. Earnings of sub-affiliates will generate a 10% commission for you.

Inside account area you will find your affiliate link to recruit new affiliates, every user registered after clicking your link will be assigned to your account as sub-affiliate.
